

[Docket No. FE C&E 94-14—Certification Notice—142]**Houston Lighting & Power Company; Notice of Filing of Coal Capability; Powerplant and Industrial Fuel Use Act**

AGENCY: Office of Fossil Energy, Department of Energy.

ACTION: Notice of filing.

SUMMARY: On December 5, 1994, Houston Lighting & Power Company submitted a coal capability self-certification pursuant to section 201 of the Powerplant and Industrial Fuel Use Act of 1978, as amended.

ADDRESSES: Copies of self-certification filings are available for public inspection, upon request, in the Office of Fuels Programs, Fossil Energy, Room 3F-056, FE-52, Forrestal Building, 1000 Independence Avenue, S.W., Washington, D.C. 20585.

FOR FURTHER INFORMATION CONTACT: Ellen Russell at (202) 586-9624.

SUPPLEMENTARY INFORMATION: Title II of the Powerplant and Industrial Fuel Use Act of 1978 (FUA), as amended (42 U.S.C. 8301 *et seq.*), provides that no new baseload electric powerplant may be constructed or operated without the capability to use coal or another alternate fuel as a primary energy source. In order to meet the requirement of coal capability, the owner or operator of such facilities proposing to use natural gas or petroleum as its primary energy source shall certify, pursuant to FUA section 201(d), to the Secretary of Energy prior to construction, or prior to operation as a base load powerplant, that such powerplant has the capability to use coal or another alternate fuel. Such certification establishes compliance with section 201(a) as of the date filed with the Department Of Energy. The Secretary is required to publish a notice in the **Federal Register** that a certification has been filed. The following owner/operator of a proposed new baseload powerplant has filed a self-certification in accordance with section 201(d).

Owner: Houston Lighting & Power Company (HL&P) Houston, TX.

Operator: Houston Lighting & Power Company Houston, TX.

Location: La Porte, Harris County, TX.
Plant configuration: Combined cycle Cogeneration.

Capacity: 162 megawatts.

Fuel: Natural gas.

Purchasing entities: Customers of Houston Lighting & Power Company.

In-service Dates: First Quarter, 1995.

Issued in Washington, D.C., December 21, 1994.

Anthony J. Como,

Director, Office of Coal & Electricity, Office of Fuels Programs, Office of Fossil Energy.
